

Greenleaf Hotel GENSAN

The Greenleaf Hotel Gensan

Greenleaf Hotel Gensan is the first and only modern business hotel in General Santos City. The hotel is conveniently located within the financial hub of the city and is only twenty minutes away from the General Santos International Airport. It is situated across SM City, banks and other commercial establishments.

Architect Ramon Licup of the Ramon Licup Design Group and Architect Pauline Yusay of CBEA collaborated to create the natural sophistication that is evident in the hotel's design and interiors.

The Grand Lobby

The spacious Grand Lobby is impressively elegant. The nature-inspired design of the ceiling complements the off-white marble floor of the area. Furniture designed by Murillo Furniture and Continental Pacific add style to the well-maintained lobby. Lush tropical gardens can be viewed from the floor-to-ceiling glass of the lobby area to give you that relaxing feel.

Rooms

Greenleaf has 111 luxuriously furnished rooms. You have a choice of Rooms in a Deluxe, Executive Veranda, and Executive Garden or of Suites in One Bedroom, One Bedroom Veranda and One Bedroom Garden. Some rooms are provided with either a pocket garden or a veranda depending on your preference.

All our Rooms and Suites are secured with an electronic door lock system and provided with an in-room safe. Rooms are well-lighted and are enhanced with a high definition flat screen television with cable channels. Bathrooms have rain and hand showers as well as hairdryers, complimentary toiletries, and bathrobes.

Work is easy with smartly designed work stations that have pneumatic cabinets. IDD/NDD Telephone thru PABX and FREE Wi-Fi are also provided. Every room has coffee and tea making facility, alarm clock, weighing scale, and a mini bar. Iron and ironing board are also available upon request.

The rooms have individually-controlled air-conditioning systems and orthopaedic beds with a softer feather filled duvet to give guests a restful sleep. While most hotels use 180 thread count linens which are thin and fibrous, Greenleaf uses 300 thread count linens which are softer and of higher quality.

Function Rooms

Greenleaf offers meeting facilities that are well suited for private functions and corporate gatherings. The conference and meeting rooms, all named after various green leaves, have impressive interiors that create sophistication and style.

The 450-seat Pandan Grand Ballroom boasts of state-of-the-art audio visual facilities such as built-in 165 inch LED screens for audio visual presentations that can only be found in the finest hotels in the country and is a first in General Santos City. Impressive chandeliers add grandeur to the ballroom along with the well-appointed decors for a dramatic effect. The ballroom can be divided into two function rooms to accommodate smaller events.

Sage, Cilantro, and Basil function rooms are ideal for smaller gatherings. Equipped with modern facilities, the rooms have LED lights that change to either red, blue, or green to accommodate a variety of lighting requirements.

Restaurants

Greenleaf boasts of authentic flavors that satisfy the discriminating palates of guests. The chefs create delectable dishes that measure up to the finest restaurants in the region.

Tea Leaf

For authentic Chinese cuisine, come and dine at the Tea Leaf! The menu is inspired by Canton style cuisine, with a unique style of cooking and authentic ingredients to make every serving palatable. Tea Leaf has three private rooms that can each accommodate ten persons. These rooms can be converted into one big room suitable for meetings and intimate gatherings.

Mint Café

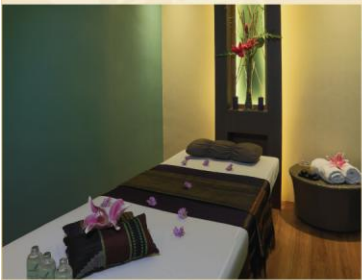

Filipino and western culinary flavors meet in an exciting buffet at the Mint Cafe. Guests savor freshly prepared traditional dishes as well as the chef's signature food preparations. Al fresco dining is also available with freshly-grilled seafood. Mint Cafe has a private room which can accommodate 12 persons.

Zanzibar

Quality wines and beers, great music from local bands, and the sleek and vibrant ambiance of Zanzibar make this place a popular hangout for locals and tourists. The private room for 8-10 persons is perfect for Karaoke and private gatherings.

Lobby Lounge

Want locally grown coffee? Taste the 100% Arabica Matutum brew at the Lobby Lounge. Each cup is served with a freshly baked cookie. Light dinner can also be arranged if guests prefer dining with live piano music or acoustic performances during the evenings.

Other Facilities and Services

With so many services within reach, the Greenleaf Hotel proves to be the best hotel in General Santos City.

Lavandin Spa

The Lavandin Spa is a tranquil sanctuary where guests can enjoy a soothing massage and spa. Lavandin is an oil that helps ease sore muscles and joints, and has a light floral aroma. Jacuzzi and sauna facilities are also available to complete the relaxing experience.

Business Center

Conveniently located at the lobby level, the Business Center offers computer and internet services, photocopying, printing and faxing services. It also has a boardroom for 10 persons.

Fitness Center

The Fitness Center is located beside the Lavandin Spa and overlooks an outdoor tropical pool. It is equipped with Cardio machines and strength training equipment for guests who don't want to miss their fitness routines.

Outdoor Swimming Pool for Kids and Adults

Guests enjoy the 4'11" feet deep swimming pool for adults and the 3'6" feet deep swimming pool for kids.

Room Service

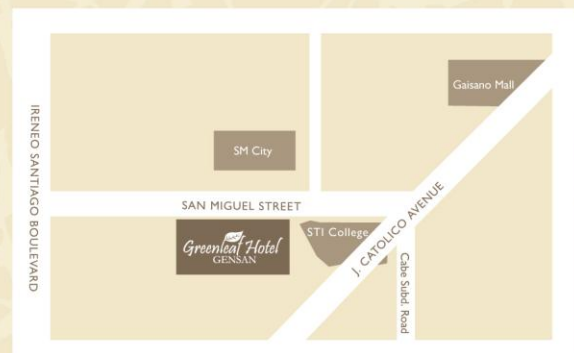

The hotel offers room service from 6AM until 12Midnight, so we can satisfy your cravings without you having to step out of the comfort of your hotel room.

Lobby Shop

Find souvenirs and local delicacies at the Lobby Shop. The finest quality tuna products are also available like belly, jaw, sushi grade yellow fin tuna, and albacore saku tuna. All our tuna products are frozen vacuum packed perfect for transport.

Airport Shuttle Service

The hotel offers guests free transport to and from the General Santos International Airport with a 9-seater van and a 23-seater coaster.
